

Year of Establishment 21st March 2013

Center for Human Security Studies - CHSS is a non-governmental, non-political and non-profit mobile Human Security Think Tank focused on Internal Security and External Affairs of India.

We undertake and conduct Studies, Research and Analysis in the areas of National Security Interests of India spanning across the Internal security, Counter Terrorism Mechanisms, Maritime and Aviation Security to National Management and India's External Affairs. CHSS is working relentlessly through its Research, Outreach and Capacity building initiatives where its activities extend to encompass various aspects relating to human life like food, water, health and environment going beyond providing constructive inputs for policy formulation.

Our Mission:

“To make constructive and compelling contributions to national security, foreign and public policy of India while striving for environmental sustainability and human security as a whole”

Core Values:

Honesty and integrity

Honesty and Integrity are two of the strongest pillars of CHSS based on which we aim to build the trust and the strength of the organisation. CHSS believes in an unbiased and independent approach to research and advocacy irrespective of region, religion, caste and community. We promote original thinking, ideas and analysis uninfluenced by popular perspectives.

Responsibility

CHSS shoulders the responsibility to make this world a better place to live for us and for our future generations to come. This sense of responsibility towards humanity at large is reflected in all the activities and initiatives of CHSS.

Diversity and Adaptability

Change is inevitable and change is happening faster than ever before. CHSS believes in the ability to adapt to change and move forward rather than having rigid visions and making predictions. Adherence to diversity in thought, people and opportunities facilitate smoother transformation at a faster pace.

Vasudhaiva Kutumbakam

Vasudhaiva Kutumbakam (Sanskrit) is composed of the words Vasuda - the earth, eva - indeed and kutumbakam - family. CHSS stands for holistic development and respect for all forms of life and the ancient Indian concept of “the world is one family”, Vasudhaiva Kutumbakam.

Center for Human Security Studies (CHSS) is a non-profit & non-political think tank,

established in 2010, in Hyderabad. It focuses on internal security and external affairs of India.

Our main areas of research (with human security approach):

1. Internal Security
2. International Security
3. Food Security
4. Water Security
5. Health Security
6. Cyber Security
7. Counter terrorism mechanisms
8. Coastal and Maritime Security
9. Indian Foreign Policy

10. Indian Diaspora Relations

11. Emerging Technologies (AI-IoT-Blockchain-5G-BigData) its impact on Human Security & National Security & Geopolitics

CHSS has actively partnered with the Government of India, Indian Navy & Coast guard, National & State Police Departments, non-profit organisations, and various universities across India and beyond. CHSS has delivered several major projects ranging from Counter-terrorism, International Relations, Mapping India's National Security Challenges, National Coastal Security Management, Decoding Violent Non-State Actors (VNSA's), Mission 974 Km's – Safety & Security of Critical Infrastructure Installations of Coastal Andhra Pradesh and Evolving Strategies to contain Red Sanders smuggling, to name a few.

We at CHSS have actively partnered with the Government of India, Indian Navy & Coastguard, National & State Police Departments, non-profit organisations, and various universities across India and beyond. CHSS has delivered several significant projects ranging from Counter-terrorism, International Relations, Mapping India's National Security

Challenges, National Coastal Security Management, Decoding Violent Non-State Actors (VNSA's), Mission 974 Kms's – Safety & Security of Critical Infrastructure Installations of Coastal Andhra Pradesh and Evolving Strategies to contain Red Sanders smuggling, to name a few.

MISSION E3
EDUCATE – EMPOWER – EXPAND

Center for Human Security Studies (CHSS)

@ Road No.25 Jubilee Hills - Dr MCR HRD Institute - Hyderabad

**RESIDENTIAL RESEARCH INTERNSHIP PROGRAMME for
(100 Students Pursuing Undergraduate Degree level 2nd
years) Telangana Tribal Welfare Residential Degree
Colleges (TTWRDC) (50 Students)**

&

**Telangana Social Welfare Residential Degree Colleges
(TSWRDC) (50 Students)**

A BRIEF REPORT

33 DAYS ON-CAMPUS INTERNSHIP PROGRAMME organised by Center for Human Security Studies(CHSS) @ DR. MCR HRD INSTITUTE, GOVERNMENT OF TELANGANA – HYDERABAD

The 33 days on campus internship programme is packed with content on the following six subjects

- 1. Basic introduction to Internal Security and External affairs of India**
- 2. Basic introduction to Emerging technologies such as AI and IoT and Block chain and Metaverse and Big data and 5G and its impact on national security and human security aspects**
- 3. Orientation and preparation methods to qualify for UPSC and Group 1 & 2 examinations**
- 4.Social Science Research Methodology and How to write a Research Article and Research paper**

5. Basic introduction and orientation on how to achieve Ministry of HRD Govt of India scholarships to study abroad for PG level and Phd level

6. Communicative and written English & personality Development

The sessions helped the interns to broaden their perspectives and help transform themselves.

The programme equipped the 100 interns from **Telangana Tribal Welfare Residential Degree Colleges (TTWRDC) & Telangana Social Welfare Residential Degree Colleges (TSWRDC)** by training them with critical knowledge pertaining to national & international importance of human security and helping them build 21st century skills. CHSS, in collaboration with distinguished personalities, academicians, and subject experts, brought in a plethora of topics for internship. Topics like life skills, Basic law, Scholarship and Job Opportunities Abroad, Public Administration and International Relations, Centre-State relations, local government, Law, Science and Technology, Internal Security and External Affairs of India, were also covered. Such expansive and in-depth sessions by subject experts and renowned academicians have definitely transformed the young girl's & boy's passion and knowledge, which will, in turn, make them more well-informed and critical decision-makers for a future where they will make themselves shine as bright as a star.

Life skills: In an ever-changing environment, having life skills is an essential part of being able to meet the challenges of life. To cope with the increasing pace and change of modern life, People need new life skills like stress management, and time management, among others. It promotes creativity, and you do things differently than others. CHSS helps everyone in keeping up with the pace of the ever-changing world and inculcates life skills such as self-awareness, creative and critical thinking, and maintaining interpersonal relationships. Self-esteem, among many others, will help them to take on life head-on.

Law: Basic legal education is very important for all in their daily lives. Basic knowledge of the law will help one to understand and tackle several problems, from consumer protection to fundamental rights. Knowledge of law informs you of your rights and your responsibilities towards society. Society is a combination of people living together in a more or less ordered community in a peaceful manner. Without any rules and regulations, it is impossible to formulate a well-mannered society. Hence law is an essential part of society. Law provides us with a standard guideline for the survival of life. This is the reason certain basic knowledge of legal education is necessary.

Communicative skills: Communication, as we all know, refers to the exchange of ideas and thoughts, with the intention of conveying. It's a two-way channel, as it involves vocalisation and gesticulation. The very basics of communication is to convey one's beliefs, ideas, emotions, thoughts, feelings, or needs with clarity, so as to reach a consensus solution, or to ensure that the other person has understood what you have been telling them. The importance of communication skills cannot be underestimated. The lack of effective communication skills has a negative impact on the personal as well as professional life of a person. Good communication skills are a prerequisite for professionals, in all walks of life. For example

Ineffective communication, rather than incompetence, precludes the doctor from conveying to the patient that the former has the best interests of the patient in mind. Communication does not refer only to articulating words. Using sign language and the sense of touch to express and feel are also important modes of communication. Ultimately, communication should be effective. As long as there is clarity in communication, the goal of communication will be accomplished.

Civil Service Orientation: The young girls who are the change-makers of the society are given orientation towards Civil Service Examinations which include preparation, and guidance on UPSC examinations. This is targeted at aspirants who want to kickstart preparations and ensure that their learning methods are oriented in the right direction. It gives an understanding and preparatory knowledge of all three aspects - prelims, mains and interviews, and subject knowledge on History, Anthropology, Political science, Sociology, etc was also given. This will help them to expand their horizons and dreams.

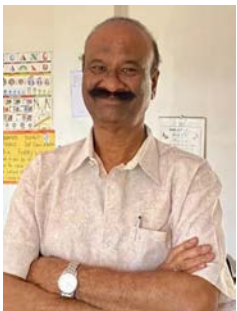

Scholarship Opportunities for Higher Education in India and Abroad: Sessions on Job and Scholarship Abroad which included opportunities in the United Nations and scholarship opportunities Abroad through MHRD with 15 countries have been delivered. This helped the students to dream big and achieve big in life and fly high in the sky.

Distinguished Lecture Series: Interactive sessions were also taken where the interns showcased their skills and interacted well. It was indeed a good time to interact with each other. Senior Civil Servants, and Academicians, have shared their knowledge and experience with the interns over several interactive sessions on a daily basis. Special focus was laid on personality development and Life skills. As a result of this program, the interns improved their soft skills, time management, and English communication skills, along with knowledge of Indian Internal Security challenges, External Affairs of India and International Affairs.

Extra Curricular Activities: CHSS believes in life beyond classrooms. There were many activities which were conducted like Dance, Music, Arts and crafts, Acting, etc. **Co-curricular activities** fuel the learning by stimulating creative thought, improving social and organisational skills and help in developing their interests.
